

Coordinate

```
graph BT; DummySetVelocity -- position --> Coordinate
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'Coordinate'. The bottom box is gray with a black border and contains the text 'DummySetVelocity'. A vertical dashed purple line connects the bottom of the 'Coordinate' box to the top of the 'DummySetVelocity' box. A solid purple arrowhead points upwards at the top of this dashed line. To the right of the dashed line, the word 'position' is written in a light gray font.
