

core/include/stb_image.h

```
graph TD; A[core/include/stb_image.h] --> B[stdio.h]; A --> C[stdlib.h];
```

The diagram illustrates the dependencies of the file `core/include/stb_image.h`. It is represented by a dark gray rectangular box at the top. Two blue arrows originate from the bottom edge of this box and point downwards to two separate light gray rectangular boxes. The left arrow points to a box containing the text `stdio.h`, and the right arrow points to a box containing the text `stdlib.h`. This visualizes that `stb_image.h` includes both `stdio.h` and `stdlib.h`.
